All figures are about the same scale despite differences in how they appear here... All available in two sizes - about 15" tall, and about 29" tall. 6 designs are available as pins, and have a note to that effect by each figure. A couple that are more fragile in small scale are available on the note cards that Cheryl creates. (See page two.) Please note that you can choose skin color, and color ranges for the clothing and embellishments. See bottom left. Leaving color choices up to Cheryl may result in your order arriving faster? Please call us with any questions, special requests, color choices, custom pieces, or just to say Hi!

2013 My Lord What A Morning.
Colors assorted.... About 3" tall.
We also do custom pins for groups,
events, fund raising, etc.

If you remember something that we
used to do, or something you saw
at a show, be sure to inquire! We
change our work a lot, but are always
willing to recreate older work!
We love to do custom work, which
can be as simple as working with
you on colors for existing pieces,
or designing something special
just for you, or for your organization.
We work with lots of people on fund
raising, including gifts for donors, items
to sell to raise funds, or unique systems
to honor donors - more interesting than
the group of brass plaques on the wall!

Note in the picture
to the left
that the same figure
can be painted
in a variety of colors
and skin tones.
Feel free to discuss
your color choices
with us!
